RESEARCH EXPERIENCE & MANUSCRIPTS

Co-Author / Research Contributor	2025 – 2026
Department of Crop Science and Technology, University of Rajshahi	
Manuscript Title: Sustainable Mustard (<i>Brassica spp.</i>) Production: A Holistic Study of Input Economics, Pollination Ecology, and Farmer Adaptation in Bangladesh. (In Preparation)	
- Collaborated systematically on field research plot designs to monitor cross-pollination ecology dynamics and ultimate biological yield responses. - Executed comprehensive agronomic field surveys directly with localized farming communities to capture actual input-output economic data points. - Compiled, cleaned, and structurally organized primary agro-datasets for multi-variable statistical analysis.	

LEADERSHIP & ACADEMIC SERVICE

Class Representative (CR)

2023 – Present

Department of Crop Science and Technology, University of Rajshahi

- Serve as the primary critical liaison channel between departmental faculty executives and the undergraduate student cohort to streamline internal communications.
- Coordinate logistical frameworks for examination schedules, specialized field practicals, and internal peer-group crisis mitigation.

Student Volunteer

2025

1st Alumni Association Programme • University of Rajshahi

- Managed rigorous registration configurations, physical materials orchestration, and institutional hospitality for high-profile alumni delegates.

TECHNICAL SKILLS & CERTIFICATIONS

- **Core Capabilities:** Quantitative Data Compilation, Applied Spreadsheet Diagnostics (MS Excel), Agronomic Field Research Surveys.
- **Professional Certification:** Certified in *Computer Office Application* (April–June 2019 Session), Bangladesh Technical Education Board (BTEB), Dhaka. Attained with honors under the National Skill Standard Basic Course framework.
